

The Grand Lodge of Antient Free and Accepted Masons of Scotland

William Ramsay McGhee, OStJ, D.L., Grand Master Mason

Brethren,

2nd July 2021

I hope and trust that you are all enjoying the recent spell of good weather. Last Saturday I was on a zoom call with the District Grand Lodge of Central South Africa and for once I was able to tell Brother Jim Kerr that the temperature in the Black Isle was the same as it was in Johannesburg. The meeting was excellent with well over 100 attendees. Brother Kerr conducted the business in a brisk and efficient manner giving a very detailed account of all that has been happening in the District. It had been hoped to have a conventional gathering but there has been another spike throughout South Africa hence the need for a Zoom meeting. My sincere thanks to Brother Kerr and the Brethren for their very warm welcome.

Back in Edinburgh, Grand Secretary has been busy and this week, after interviewing four excellent candidates, has appointed Brother Duncan MacFadyen as the new Assistant Grand Secretary. Brother MacFadyen brings with him extensive experience in the commercial world both at home and abroad and his appointment almost brings the staffing levels in Grand Lodge back to full strength. This is good news and augurs well for the future.

With staffing levels back to where they should be, we are in a good position to action the recommendations that the strategy group submitted to the Administration Committee, and which are now going forward to Grand Committee for their support and approval. There is much to be positive about as we see a light at the end of the tunnel that we have been travelling through for almost 18 months. I see the months ahead as exciting and providing us all with the opportunity to drive forward Scottish Freemasonry in a fresh and stimulating way.
