

Chaplains Message November'21

Reading- Ecclesiastes 2 v12-16 NKJV

12 Then I turned myself to consider wisdom and madness and folly;
For what can the man do who succeeds the king?-
Only what he has already done.

13 Then I saw that wisdom excels folly
As light excels darkness.

14 The wise man's eyes are in his head,
But the fool walks in darkness.
Yet I myself perceived
That the same event happens to them all.

15 So I said in my heart,
"As it happens to the fool,
It also happens to me,
And why was I then more wise?"
Then I said in my heart,
"This also is vanity."

16 For there is no more remembrance of the wise than of the fool forever,
Since all that now is will be forgotten in the days to come.
And how does the wise man die?
As the fool!

We are all acquainted with the term, passage from darkness to light and our constant quest for more light, more knowledge. We are at the moment not too far from our seasonal passage from darkness to light literally, the 21st December being the shortest day and after that the gradual gift of more light day by day. Sometimes though Brethren a wobbler is thrown into the mix to make you stop and think. After quite a reasonable spell of relatively good news on the Covid-19 front up pops another variant to make us do just that. What problems may this one bring? No one can be sure as yet and it will take a little bit of time until we can see what effect it will have. Just another bump in the road back to normalcy. These things are to be expected and roll on Omega. We will get through it eventually of that we can be certain, we just have to remain careful and cautious. Let's all hope and pray that this one doesn't spoil Christmas.

Meantime Brethren,
Stay safe,
Till the next time.
